Hi Amy and Debbie,

An update on what I have so far:

Paul Colangelo
67 Laura Drive
Monsey, NY 10952
(845) 356-5759

Note that search results indicate he is currently the owner of the above property.

I'm fairly certain I also have Adolf Quintana and Monica Scanlon, however, I need to do a few more things to be absolutely sure. Is it OK to contact the individuals for verification purposes? If so, what is your reason for wanting to contact them?

Additionally, I would like to forward the report, computer search results and bill via e-mail as an attachment. Would that be OK?
